Today we are young. Our lives are filled with decisions to be made, knowledge to be acquired, hearts to be given, and faith to be instilled within ourselves and for our world. When our youthful decisions, aspirations, and fads have been forgotten; and when our faith grows stronger with age, we will remember these golden and most precious days and

Foreword

No one ever knows what happens behind the scenes in a Reflections workroom unless he has been a part of the action. Neither can he know the time, effort, and patience required to compile a book. We, the editors and staff, hope that some of our work will serve as a refresher of these memories of 1970.

Guidance Is the Key

The students at Orange High will remember MR. FRED CLAYTOR as a friend and leader. During the past year, he has demonstrated clearly his capacity for leadership in trying situations. For his unfailing patience and understanding, we commend him.

This year O. H. S. is fortunate to have two capable men as assistant principals, MR. VERNON COPELAND and MR. MICHAEL PRESLAR. These men are in charge of admission slips, daily announcements, and bus traffic.

to Learning

The orderliness and efficiency of the office depends to a great extent on the two secretaries at Orange High, MRS. GRACE PARNELL and MRS. ELOISE WELCH.

We are deeply grateful for the cheerful, friendly help that they are always willing to give.

MRS. PHYLLIS FELLERS, who is new at Orange High this year, lends a sympathetic ear to students and offers wise counsel to those trying to plan for the future.

As one of our two guidance counselors, MRS. ANYCE McKEE is always ready to give important information about high school courses of study, requirements for colleges, and career choices.

The students who have only a mild interest in math enjoy the General Math course; business students find that Business Arithmetic meets their needs; and students who truly enjoy complex problems and concepts are intrigued by Advanced Algebra and Trigonometry.

Science Department Offers Look

Orange High School can boast of a well-equipped science department. Above the required biology or general science courses, chemistry, physics and advanced biology are offered. What wonders are found in science! The tiny world of a rain-drop, the organs of an insect's body, a perfect experiment, or the balanced equation are a few of the miracles of science.

English Brings Increased Awareness

Since it is a required course at Orange High, every student has had to struggle with English in some form this year. For sophomores, the path to victory is strewn with themes, vocabulary lists, and "Julius Caesar." Juniors struggled valiantly through quagmires of grammar, streams of composition, and

The English teachers of all three grades have done their best to make the courses challenging and interesting, and to inspire their students with a respect and often a love for this very important subject.

Being the only foreign language offered at Orange High School, French is very much in demand. French students enjoy exercises in French conversation, French literature, and verb conjugation. The language lab aids students in perfecting their pronunciation. Through this course, students can learn the language and customs of other lands, thus enlarging their own perspective.

Seniors

As sophomores, we experienced the misery and joy of being underclassmen. The sophomore prom theme, "Happiness Is," emphasized the happiness of becoming juniors. The junior year brought on academic challenges, preparations for the Powder Bowl game, PSAT, the Junior-Senior Prom, and decisions on colleges and future vocations. As seniors our preparations are now realistic. Our graduation will mark the climax of our high school education and initiate our pursuit of careers.

Juniors

On reaching our junior year, we find ourselves with much to look back on and more to look forward to. Behind us is our sophomore year - full of adjustments, ridicule from upperclassmen, and new freedoms.

As juniors, it is our turn to look on the underclassmen with superiority. Our year is marked by the powder bowl, the prom, and receiving our class rings.

Ahead of us lie envied positions as seniors and promising futures to mold.

MRS. CAROLYN B. FULLER

As sophomores, our beginning days at Orange High School were filled with complicated and conflicting schedulings, unfamiliar faces, uncertain goals, and worst of all, constant intimidation by upper-classmen. Gradually, our skepticism concerning our roles in the educational processes at Orange subsided and we are becoming an integral part of school activities. Many of us have assumed important roles in academic school clubs, athletics, student government, the band, and the chorus group.

Born in an era of space explorations, educational innovations, and social changes, we welcome the challenges of our sophomore year as our launching pad for an illustrious future in the worlds of science, arts, business, and vocations.

We will have fond memories of homecoming activities, the Christmas play, the sophomore dance, spirited pep rallies, and first place in the candy sale.

It looks Greek to me.

 TRI-CAPTAINS

The Orange Panther football team, though it did not post an excellent record, was one of spirit and effort. Each player worked hard to improve as the season progressed. The coaches, Mr. Richard Blackwelder and Mr. Mike Preslar, spent many hours formulating new plays and revising old ones. With this kind of goodwill and hard work, Orange High School football will be continually on the uprise.

Head Coach RICHARD BLACKWELDER

The 1969 O.H.S. Panthers slightly improved their '68 record and established several standards for the future. More dedication and additional practice time were demanded by the coaches and given by the players.

Untimely injuries and seemingly never-ending bad breaks led to defeats. However, spirit continued to be high and effort supreme which speaks well for the type of men that participate in O.H.S. football.

In its third year, the Junior Varsity Football program has given many young players the experience and desire necessary for a successful Varsity squad. Upon the able shoulders of Coach Kenneth Harrell falls the task of getting these young men into shape and instilling them with the desire to fight and win. These players will soon be the strength of the varsity squad and are better able to take up this responsibility because of the training and discipline they received as J.V.'s.

Coach KENNETH HARRELL

Coach KEN MAUER

"By winning the State Championship last year we set a precedent that has been very hard to follow. We are a very inexperienced ball club this year and as a result we are off to a slow start. As the season progresses we hope to gain momentum and be ready for the tournaments."

Two more for the baby Panthers

"The junior varsity team of this year is characterized by outstanding talent, both on and off the court. They have, through their own hard work and individual effort, made themselves the class of the league. This is illustrated by their unselfish play and sense of fair competition which takes place in each game in which they participate. I'm very fortunate and proud to have been associated with this group of fine young men, and I sincerely hope the attitudes they have developed in sports will carry over into their everyday lives."

STUDENTS PROGRESS

Really?

Some study, some eat.

Lunch time at O.H.S. gives the students a time to rest and visit with their friends.

The teachers retire to the lounge to relieve themselves of the many tensions the morning classes bring.

Some students use the precious 25 minutes to cram for a test scheduled for sixth period. There are those who eat lunch, but on a whole, this time is used to socialize with those whose paths do not cross yours at any other point in the day.

Lunch isn't fun for everyone.

Stuart and Paul rush for an enviable first place in the lunch line.

The mass exodus of changing classes is very much a part of O.H.S.

Where is your hall pass?

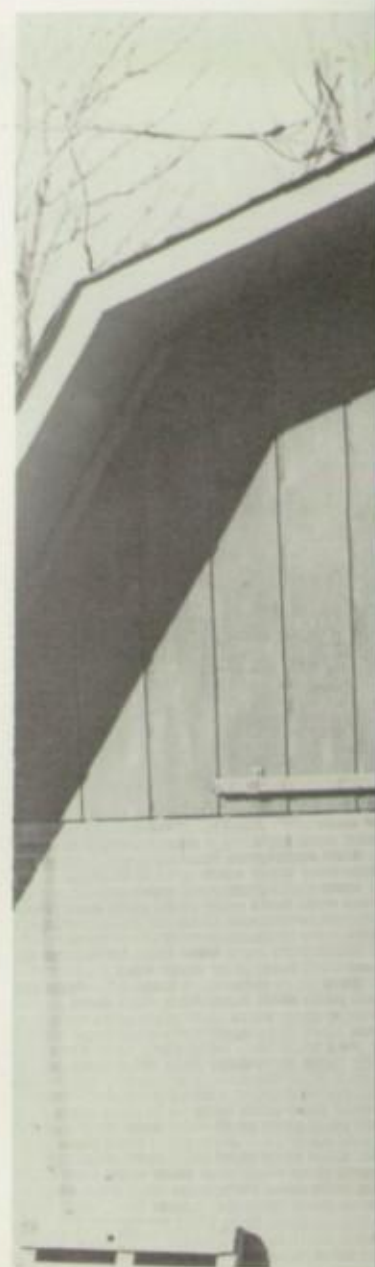

School spirit?

Go Paula Panther!

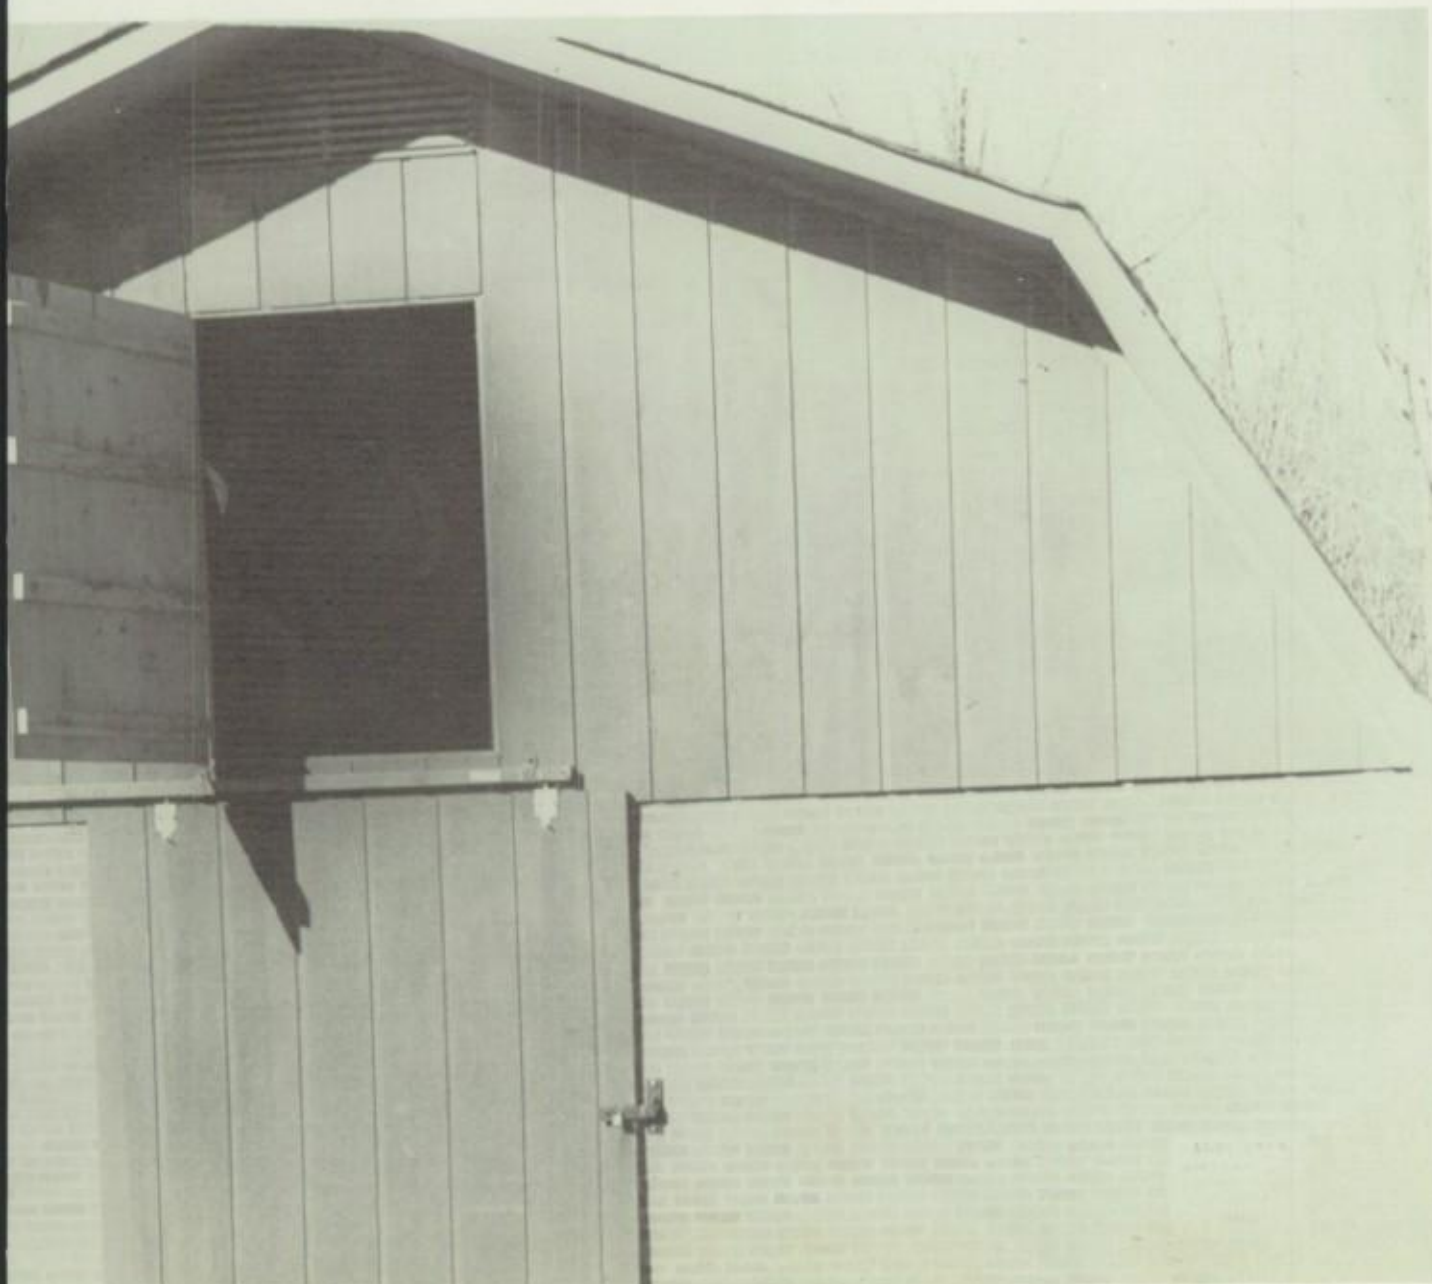

Students patiently await the beginning of a pep rally

School spirit is everywhere.

Great shades of a cheerleader.
